Modern Sociological Theory (Fall Semester 2015)

Reading list

Suggested general reading

This is a very solid presentation and critical discussion of key theoreticians and theoretical currents in sociology since 1945. It provides a context for the more specific topics that the course addresses.

Lund

Mandatory readings (Day 1)

Texts by Adorno, Gehlen, Schelsky and Elias (will be available as PDF-file).

Suggested readings (Day 1)

Mandatory readings (Day 2)
